REGISTER NOW

Join the City of Saint Paul, Saint Paul Area Chamber of Commerce, the Minnesota Department of Employment and Economic Development, the Danish Trade Council in North America, and Nordic City Solutions Initiative for a two-day exchange Saint Paul, Minnesota.

Topics featured during the exchange will include smart grid, district energy, stormwater systems, and collaboration with investors.

Day 1:

Day one presentations will highlight East Metro sustainability projects and the resiliency associated with those projects - including the Ford Site and Rice Creek Commons. Innovations and next generation solutions offered by Danish companies will also be featured.

Featured guests will include the Ambassador of Denmark to the United States, Lars Gert Lose and Saint Paul Mayor, Melvin Carter.

Day 2:

Day two will feature technical learning labs for practitioners who want to explore the difference in technology, planning, and design in smart grid, district energy, and stormwater resiliency. The day will include presentations from Danish companies Logstor, Isoplus, Danfoss, Ramboll, Grundfos, and ENEX-DEVCCO.
